PRESIDENT'S CORNER

Hello Everyone!

It looks like spring is finally here and we can start the flying season!

It has been a long winter and I am looking forward to getting back in the air.

The first event on our calendar, Cranlands breakfast will be held on the 17th of the month (the day before our meeting) and we have a lot of events already listed for the season. Please let us know of any other aviation events that we can include on our list.

Dont forget to look your aircraft over real well before your first flight, you never know what you may find after a long cold winter storage!

See you all at the meeting.

Fly safe.

Mike

Secretary's Report for March

President Mike Butts opened the meeting at 7:35 pm, with 16 members and 1 guest present.

The Secretary's report was approved as published in the newsletter. Chip Diggins read the Treasurer's report which was approved. The chapter sent a \$150. donation to the town of Plymouth for use of the conference room.

Old Business: Joe Fava is proceeding with plans to hold an E-LSA Repairmans Course at Cranland or Plymouth. It will give you the authority to inspect your own E-LSA. Course is conducted by Rainbow Aviation of California.

The Fifth Annual Aviation Fun Day at New Bedford was announced for May 21st from 10 to 4, sponsored by Atlantic Aviators. Steve Donahue spoke about planning to attend a Sonex Builders workshop. Two Skybolt builders spoke about thier projects. Mike Brennan spoke about his repair project. The fuselage is covered and the first coat of polybrush is on. Bill Shippee completed a E-LSA Repairman course. Joe Souza is flying his Zenith 650 from Taunton. Mike Butts told about taking a glider lesson in North Carolina while training for a new job. Mike Brennan spoke about fueling, removing water (washing fuel) and 93 Octane with ethanol vs. 100LL.

We started planning for our summer events. Fly-market and Young Eagles at Plymouth. Tentative date, June 18th. Alan will put an ad in the Atlantic Flyer. Our June meeting will be a cookout at Fisher Field in Middleboro. Sherm will be 90 in May. (no more wine? eh, Sherm?). Tentative Fly-in date is Saturday 9/10 with a rain date of 9/11, to avoid a possible presedential TFR in August.

Mike showed photos of a scanned sectional chart and Fred Boothman, as instructor, asked questions about symbols on the chart.

The meeting was adjorned at 9:10

Respectfully submitted,
Alan Pugh, Secretary
