## PRESIDENT'S CORNER

Hello Members!

I would like to thank everyone who helped make our holiday party a success. As usual, there was great food and great company!

This month we will have a guest speaker at our meeting. Scott McCarthy will give a presentation on his work with unmanned military aircraft. Those of you who have experienced Scott's outstanding presentation on cold weather survival will surely agree that this will be a very interesting evening! Meeting starts at 7:00 pm sharp.

I would like to again remind any members who have yet to send their dues in that we have several fees due at the beginning of each year and it helps to get renewals on time.

Thanks to all who took care of this at the party.

See you all at the meeting.

Fly Safe,

Mike

## Secretary's December Report

EAAUL62 12/15/08

Our Christmas party was held at the Plymouth Airport Conference room at 7:30 pm. President Mike Butts and early arrivals set up the tables (and made coffee!). Chip picked up the food at Mama Mia's and set that up. The first wave of attendees sat down to a hearty meal, then several more people arrived (some with deserts). Between Mama Mia's and the food provided by chapter members, we were a well-fed group. We held a yankee swap and picked out gifts from the gift pile. We really eat well for a small chapter, the fly-in, cookouts and Christmas party all contribute to the public's perception of us as a bunch of moochers (speaking for myself).

Thanks to everyone for participating in a good time!

To have any events put in the newsletter just send Donna Butts an e-mail.

Respectfully submitted,

Alan Pugh, Secretary

### CHAPTER MEETING

Jan 19 @ 7:00
