## PRESIDENT'S CORNER

Hello everyone!

I hope everyone enjoyed our cook out at the last meeting. We had a real good time and lots of good food too! The date of our fly-in is fast approaching and we need to finalize plans at the up coming meeting. I would like to request that all of our members attend this meeting and pitch in to help make our event the best ever. We need volunteers in many areas. Dont forget that meal tickets are available and we have kept the price at a very affordable price of \$10 for adults and \$5 for kids. Get your tickets early so you miss out!

See you all at the meeting.

Fly safe

Mike

No Secretaries report was submitted for the June meeting because as business was conducted due to the cookout.

### CHIP'S TECH TALK

Hi All,

I recently discovered a local source for the NGK spark plugs we use in the Rotax engines. AUTOZONE carries the NGK BR8ES plugs in stock. They cost \$2.37 each. It is great to have local availability, no shipping or handling costs.

Fly Safe,

Chip
