PRESIDENT'S CORNER

Hello Everyone!

It is hard to believe that we are half way thru the summer already. I would like to thank all of our members who helped make our first Fly market/Young Eagles Rally a great success. I believe that the official count was 19 Young Eagles flown. Congratulations to Steve Donahue and Mike Forand, your efforts will keep the spirit of aviation alive in the youngsters who may someday become pilots!

I would also like to thank Kim Coon for the great cookout she put on at last months meeting. Her efforts are helping both membership numbers and meeting attendance.

Topic for the upcoming meeting will be our annual fly-in. We dont have much time to finalize plans so be sure to attend.

See you at the meeting.

Fly safe,

Mike

CHAPTER MEETING

6:30

Monday July 19, 2010

Plymouth Airport

CHIP'S TECH TALK

Hello Everyone,

I'm going to get a little off subject this month. I gleaned this idea from for the July 2010 Sport Aviation magazine, Page 11 paragraph 1. Maybe we should change the name of our chapter to more correctly reflect the interests of our membership. The military has always used acronyms when talking about things. It is almost a secret code or language among the ranks. Nearly everything has a name made up of the first letter of each word in the description. Or close enough so it sounds good. I think we should rename our chapter "LMHD-62". This means " Low Mass, High Drag" By doing this we would more accurately describe the sport we love most. No one will ever be able to call us "Mickey Mouse / Rinky Dink" again. If I want to fly High Mass, Low Drag, I'll whip out the AmEx card and call the Airlines.
