PRESIDENT'S CORNER

Hello Everyone!

Dont forget this Saturday June 19th is our First Annual Aviation Flea Market and Young Eagles Rally! We could still use a few volunteers to help run the event. Contact myself or Steve Donahue if you would like to lend a hand.

Monday June 21st we will hold our annual cook out meeting at Fishers. Bring the family and friends and come early! Things get started around 5:30 pm. Kim Coon has a great feed planned so come hungry.

I hope to see a lot of our club members this weekend!

Fly Safe,
Mike

CHAPTER MEETING
5:30
Monday June 21, 2010
Fisher's Field

May Secretary's Report

EAAUL62 05/17/10

President Mike Butts called the meeting to order at 7:30 pm. At 6:30, we had an excellent spread provided by Kim and Rick Coon. Chicken/Pasta/Veggie dish, Fruit Plate, rolls, bread, cupcake/cookie tray.

President, Mike Butts showed a dvd of Airventure 2010 site changes, music and salute to veterans. This will be the 50th anniversary of the Piper Cherokee, the 70th anniversary of the DC-3 and the 75th anniversary of the B-17.

The meeting was called to order at 7:40 with seventeen members and one guest - Jim from Naples Florida, an EAA Member.

The secretary's reports for March and April were approved as published in the newsletters. Treasurer, Bill Shippee read the treasurer's reports for March and April - approved.

Old Business: Steve gave us an update on our young eagles event scheduled for June 19th. The insurance is in place, three pilots have volunteered, need one more, we have a few ground staff.

The New Bedford aviation fun day will be May 22nd at 10 am.

We continued our discussion of changing our chapter designation from UI to a regular chapter. Mike stressed a few facts he obtained after talking with Brenda Anderson at National. The web search on the national web-site will be fixed so UL62 will show up in a search of EAA Chapters in S.E. Mass. Our roots are in the Middleboro Ultralight Association. The chapter may evolve into a regular chapter eventually but the UL62 Corporation may have to be dissolved and the new chapter may have higher maintenance (registration) fees. What can we do to let prospective members know we include all types of aviation, not just ultralights. Respect for ultralights is part of our chapter and this attitude should be upheld. We can improve our marketing, like EAA106, upgrade our website and include a mission statement. The discussion was tabled to give us time to think it over the ideas presented at the last two meetings.

The June meeting will be a cookout at Fishers Field. There will be flying right after work - bring a buddy. Chip moved to recognize Kim Coom for her contribution of food at our meetings.

Sherm's birthday party at Fishers next friday (89 yrs).

The meeting was adjourned at 9:15.

To have any events put in the newsletter just send Donna Butts an e-mail.

Respectfully submitted,

Alan Pugh, Secretary
