## PRESIDENT'S CORNER

Greetings Everyone,

It is once again election time for chapter officers. Time sure fly's when your having fun! All of our current officers have agreed to continue serving for another term of two years. Attached to this newsletter you will find a ballot and a membership renewal form. If anyone cannot make it to the meeting and wishes to vote please fill out the ballot and mail it in by November 30th 2007. We will count all the ballots cast at the meeting and those received by mail on the first of the month. Also, please be sure to renew your membership as early as possible. I would like to thank John Sannizzaro for the use of his hanger at a moment's notice last month when a scheduling conflict left us without a meeting room. I thought it was nice to hold a meeting in the hanger with Bill Higgins' nearly completed RV for all to see! All those years of work, (seven of them) sure paid off! Awesome job Bill. See you all at the meeting.

Fly Safe,  
Mike

### NOTICE

EAA Chapter 1363 has invited our members to attend their Christmas Party to be held at Quanset Air Museum in North Kingston, RI on December 4. contact President Frank Nowak at 1-401-253-1978 for more info

**Chapter Meeting  
Nov. 19, 2007 @ 7:30  
Plymouth Airport Community Room**

# Secretary's Report

## Secretary's Report

President, Mike Butts called the Monday, October 15th UL62 meeting to order at 7:48 pm.

Fifteen members were present. We met in John Sannizzaro's hanger (#5) since there was a political caucus meeting in the conference room where we normally meet. John extended an invitation to drop in anytime the door is open, gate 3, hangar 5. Bill Higgins' RV-6 is under construction in the hangar. It has a Garmin 296 with SL40 comm and full 6-pack gauges, and O-360 Lycoming 180 hp with fixed pitch wooden prop.

Last month's Secretary's report was accepted and the Treasurers report was read and accepted.

Old Business: Richard reported on food vendors for the Christmas Party. He checked five places. Spitfires, the pig roast caterer is out of business but he has a restaurant in Arlington. We felt that Arlington may be too far to go to pick up the food ourselves. Kevin's and Eagles nest restaurants across from the airport, have sausages, meatballs, chicken cacciatore, etc. Copeland's in Quincy, because Richard works near there and can easily pick up the food. Fratello's near the airport. We checked their menu selected them. We will pick up Chicken with ziti and broccoli, chicken Parmesan, and a wraps platter. Bob Wilke's Swedish meatballs, John's chili, and members Ice & dessert.

We voted to go with Fratello's with a limit of \$250. The motion passed.

Members are welcome to bring other items but check the list of food on the website or call Mike to coordinate.

EAA sent us "partner recognition" brochures to pass out. Ford Trucks and John Deere, no haggle deals.

EAA UL62 is offering lifetime memberships for \$250.

John spoke about Mitt Romney's aircraft fees exemption, expires in 2007 (no sales tax at registration time). Governor Patrick will probably not re-sign the bill. For more info, check the Mass Aeronautical Commission website (MAC)

Bill Shippee transitioned his ultralight to ELSA (September newsletter). He sent for the EAA package, reserved an 'N' number online; sent in the registration forms, contacted Jeff Mandeville for the online package, Jeff walked him through the paperwork.

Jeff added that you can contact Bill Burke at the MIDO office in Burlington for an original certification or the FSDO office in Bedford for a recurrent certification.

New member Marty Himmelfarb has started a CGS Hawk in Wareham.

If you Google "bad aircraft landings" you can find a website with examples of extreme crosswind landings with airliners. My opinion - focus on good landings, the bad landings will take care of themselves.

The meeting was adjourned at 9:05

Respectfully submitted,

Alan Pugh, acting Secretary
