PRESIDENT'S CORNER

Hello Everyone!

I am pleased to declare our 2009 Fly-In a huge success. The WX when I woke up didnt look good at all but the skies cleared and the aircraft and people soon started arriving. I would like to thank our event chairman Marty Himmlefarb for his outstanding work. This was Martys second event as chair and it looks like he has the right formula! How about going for 3 Marty?? I would also like to thank all of the other individuals who helped make this years event even more successful than the last. We would not be able to hold these events without your help. See you all at the meeting at our usual location.

Fly Safe

Mike

CHAPTER MEETING

7:30

Monday 9/21/09
Plymouth Airport

From the Chairperson of the UL62 2009 Fly-In

I want to thank all of you for a fabulous team effort that made this year's fly-in a smashing hit. We had over 21 aircraft at the field, a sumptuous feast and successful raffle and membership drive. We had visitors from Connecticut, New Hampshire, New York, Maine and Rhode Island who flew or drove to Fisher's Field just for the day, and many happy kids who scrambled over the runway to retrieve candy dropped from Chip's bomber. Between the rescheduling because of the Presidential TFR and the wild weather just before and immediately after our fly-in, we had many obstacles to a successful event, but we overcame them all.

I don't have the final figures, but it appears we broke even with the food, made almost \$300 on the raffle and signed up 3 new members. One lucky little girl and her dad were thrilled to win a ride in Will's C-182. More importantly we all had a chance to meet and socialize with our fellow aviation enthusiasts and learn some things from builders and flyers who freely shared their experiences and knowledge all around.

The fly-in's success was due to the hard work done by many members of UL62. My sincere thanks to all of you for selling and buying lunch tickets; Chip, Kim and the food crew for putting on a magnificent feast within budget; Donna and Mike Butts for conducting the raffle and making the signs (which we can re-use for many years to come); Mike and Kathy Brennan for managing the parking and registering pilots and signing up new members; Joe the "Air Boss" for keeping the skies and runways safe and orderly; Fred Paris and his crew for painting the runway numbers; Tom Fisher and Sherm for letting us use the field and keeping it in good shape; Bill Shippee for keeping the finances in order; Tom Boyle who kept revising the web site as circumstances rapidly changed; my wife Jeanette for selling food tickets and keeping me organized; the folks at Cranland for lending us their picnic tables; and each and every one of you who donated raffle prizes, bought tickets and supported our efforts by attending the event. If I have left out your name, I apologize, but I deeply thank you nonetheless.

See you at our regular meeting Monday 9/21 at 7:30 PM at PYM. But, now for a nice glass of wine.

Marty
